

MANAGE API ACCESS

To manage Client API Access , you just need to goto **Client** First under Master

The screenshot displays the T GEN GST software interface. At the top, there is a navigation bar with the following items: Dashboard, New Update, Search Taxpayer, SAG Live Support, Help, Important Date, Language, and a user profile for 'sag'. Below this is a breadcrumb trail: GST > RETURN > GSTR1 > CLIENT. The main menu on the left includes Master, Client (highlighted with a red circle), Return, Payment, Refund, Reports, User, Backup, Panel Setting, Template Setup, Ledger, and Notice/Email. The main content area shows a sub-menu for 'Client' with options: Dashboard, GSTR-1 Fill Form, Receiver, Summary, Consolidate Summary, Configuration, Turnover Report, Setup, and QRMP Summary Report. Below the sub-menu, there are filters for Year (2020-2021), Period (All), and a month dropdown (September). A table with columns S.No., Client Code, Client Name, GST No., Status, and Return Stat. is visible, with search boxes under each column. The table is currently empty. At the bottom, there is a status bar showing 'No. of Records: 96' and a row of action buttons: Import T/O, HSN Summary, Get Status From Portal, Email/SMS, Preview, Return Status, Download Data From Portal, Compare With GSTR-3B, and Save.

Then under Client just click on Client Creation

The screenshot displays the GST GEN GST software interface. At the top, there is a navigation bar with the following items: **GST GEN GST** (Registered ->), **Dashboard**, **New Update**, **Search Taxpayer**, **SAG Live Support**, **Help**, **Important Date**, **Language**, and a user profile for **sag**.

On the left side, there is a vertical menu with the following options: **Master**, **Client**, **Client Creation** (highlighted with a red circle), **Show/Hide Client(Year)**, **Return**, **Payment**, **Refund**, **Reports**, **User**, **Backup**, **Panel Setting**, **Template Setup**, **Ledger**, and **Notice/Email**.

The main content area is titled **List Of Clients** and contains a table with the following columns: **SN**, **Group Code**, **Client Cc**, **Name of Organisation**, **Legal Na**, **PAN**, **GSTN**, **Date of Registrati**, and **Cancell**. Each column has a search input field below it. The table body is currently empty, showing only a grid of rows with checkboxes in the first column.

At the bottom of the interface, there is a status bar showing **No. of Records: 127** and a row of action buttons: **From Portal**, **Manage Api Access**, **Import**, **Update**, **Download**, **Update Dealer**, **Send Mail**, **Change Password**, **Details**, **View**, and navigation arrows.

In Client creation , below you can see **Manage API Access** button

The screenshot displays the GST GEN GST software interface. At the top, there is a navigation bar with options like Dashboard, New Update, Search Taxpayer, SAG Live Support, Help, Important Date, Language, and user profile. A left sidebar contains a menu with categories like Master, Client, Client Creation, Return, Payment, Refund, Reports, User, Backup, Panel Setting, Template Setup, Ledger, and Notice/Email. The main area is titled 'List Of Clients' and features a table with columns: SN, Group Code, Client Cc, Name of Organisation, Legal Na, PAN, GSTN, Date of Registrati, and Cancells. Each column has a search input field. Below the table, it shows 'No. of Records: 127'. At the bottom, there is a toolbar with buttons: From Portal, **Manage Api Access** (circled in red), Import, Update, Download, Update Dealer, Send Mail, Change Password, Details, View, and navigation arrows.

After that just select the required Client then click on **Manage API Access** button , it will ask you for the Captcha

The screenshot displays the GST GEN GST portal interface. A modal window titled "LOGIN ON GSTN" is centered on the screen, overlaying a "List Of Clients" table. The modal contains the following fields and options:

- Name: [Text input field]
- User Name: [Text input field]
- Password: [Text input field with a toggle for visibility]
- Login Using OTP (API)
- Enter Captcha: [Text input field]
- Captcha image: A grid-based captcha with the number "92055" and a red wavy line.
- [Forget Password](#)
- Buttons: **Submit** (blue) and **Close** (pink).

The background "List Of Clients" table has columns for SN, Group Code, Client Name, PAN, GSTN, Date of Registration, and Cancellation. The table shows 127 records. At the bottom of the page, there is a navigation bar with buttons for "From Portal", "Manage Api Access", "Import", "Update", "Download", "Update Dealer", "Send Mail", "Change Password", "Details", and "View".

After entering Captcha , it will show the API Access enabled **Success** message

The screenshot displays the GST GEN GST software interface. The top navigation bar includes the application name 'GST GEN GST' and various utility links like 'Dashboard', 'New Update', 'Search Taxpayer', 'SAG Live Support', 'Help', 'Important Date', 'Language', and user profile 'sag'. A left sidebar contains a menu with categories like 'Master', 'Client', 'Return', 'Payment', 'Refund', 'Reports', 'User', 'Backup', 'Panel Setting', 'Template Setup', 'Ledger', and 'Notice/Email'. The main content area is titled 'List Of Clients' and features a table with columns for 'SN', 'Group Code', 'Client Cc', 'Name of Organisation', 'Legal Na', 'PAN', 'GSTN', 'Date of Registrati', and 'Cancelli'. A search bar is present above the table. A modal dialog box is centered on the screen, displaying a green checkmark icon and the text 'Api Access enabled successfully.' with an 'Ok' button. At the bottom, there is a footer with 'No. of Records: 127' and a row of action buttons: 'From Portal', 'Manage Api Access', 'Import', 'Update', 'Download', 'Update Dealer', 'Send Mail', 'Change Password', 'Details', and 'View'.
