E-WAY BILL TAXPAYER MODULE

iOS APPLICATION INSTALLATION PROCEDURE

STEP 1: Go to <https://ewaybillgst.gov.in/mainmenu.aspx> and click on Registration under For mobile in the Side-menu bar

The screenshot shows the main menu of the e-Way Bill System. The left sidebar contains navigation options: e-Waybill, Consolidated EWB, Reject, Reports, My Masters, User Management, **Registration**, For SMS, **For Mobile**, For GSP, For API, Common Enrolment, Update, Grievance, and 2Factor Authentication. The 'Registration' and 'For Mobile' options are highlighted with red boxes. The main content area displays a dashboard with statistics for EWBs generated, cancelled, and rejected by the user and by other parties. Below the dashboard is a 'Latest Updates' section dated 29/05/2023, containing three bullet points regarding 2FA, de-enrolment for transporters, and cancellation of common enrolment.

STEP 2: - Click on the Send OTP And Enter received OTP and Click on verify it

The screenshot shows the 'ANDROID REGISTRATION' page. It contains the following text and form elements:

The e-waybill Android app can be downloaded to your mobile and used to achieve all the functionalities of the e-waybill system. On downloading and opening the mobile app, a unique Device id will be displayed. You need to update this Device id in the portal.

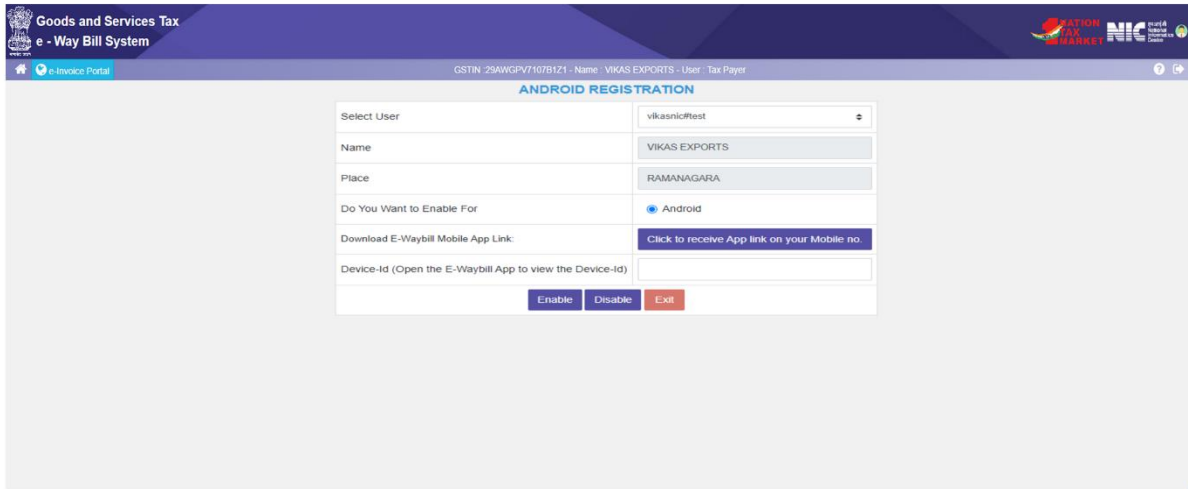

Only one Device-id can be registered against each user. Also, once registered the same Device-id cannot be used to register for any other user.

Mail ID:

Mobile Number of main user:

Enter OTP:

STEP 3: - Click on the Download E-waybill mobile App link ,received SMS on the mobile

Step 4: Click the link , received Through SMS on the Mobile.
