		(See note below)				

**Note:**

(1) The above numbers are provisional and the actuals number may have slightly vary on finalisation.

(2) May 2025 GST Revenue includes Rs. ~10,000 crore of one-time payment made by a telecom operator for spectrum allocation. Adjusted for this one-time payment, Gross GST Revenue grew 9% in May 2026 with Domestic Gross GST growth being 5%. Adjusted Net GST Revenue growth in May 2026 was 10.1%. With no one-time payment in May 2026, adjusted growth is therefore the right measure to evaluate the GST performance for the Month.
